 I've been awake for a while now You've got me feeling like a child now
C **C7M** **F** **C**
 'Cause every time I see your bubbly face I get the tingles in a silly place

C **C7M** **F** **C**
 It starts in my toes and I crinkle my nose wherever it goes I always know
C **C7M**
 That you make me smile please stay for a while now
F **C**
 Just take your time wherever you go

C **C7M** **F** **C**
 The rain is falling on my window pane but we are hiding in a safer place
C **C7M** **F** **C**
 Under covers staying dry and warm You give me feelings that I adore

 I've been asleep for a while now You tucked me in just like a child now
C **C7M** **F** **C**
 'Cause every time you hold me in your arms I'm comfortable enough to feel your warmth

C **C7M** **F** **C**
 It starts in my soul and I lose all control When you kiss my nose the feeling shows
C **C7M** **F** **C**
 'Cause you make me smile Baby just take your time now Holding me tight...
